SUMMARY

This course enables certified ISO 31000 risk professionals to learn the skills and techniques required to conduct in-depth maturity assessments, reviews and audits against the principles of ISO 31000. The course is structured about the exclusive G31000 risk management maturity model, the only ISO 31000 principles-based risk maturity model. **G31000 RMM helps organizations assess alignment to ISO 31000 principles and current maturity level and to develop a roadmap for continuous improvement**

The course covers the purpose of risk management and detailed analysis of each of the Eight (8) principles proposed in the ISO 31000: 2018 risk management standard, including a set of criteria to test current maturity and identify opportunities for improvement.

LEARNING OBJECTIVES

- Understand practical application of the each of the Eight (8) ISO 31000 principles
- Learn what/how to evaluate organizations on their risk management program and structure
- Apply assessment criteria, checklists, gap anaysis and sample tools to test maturity against the ISO 31000 principles as an in-house risk auditor or an external consultant
- Develop practical roadmaps to develop and improve risk management maturity

COURSE AGENDA

Day 1: Understanding ISO 31000 principles and model structure

- About G31000 risk management maturity model (RMM)
- G31000 RMM structure and application
- Step A : Purpose of risk management : create and protect value during decision-making
- Step B : Data gathering and validation on the following principles:
  - 1. Risk management is an Integral part of all organizational processes
  - 2. Risk management is Structured and comprehensive
  - 3. Risk management is Customized to context, risk profile and objectives
  - 4. Risk management is Transparent, inclusive and timely
  - 5. Risk management is Dynamic, iterative and responsive to change

Day 2: Applying G31000 Risk management maturity model

- Data gathering and validation on the following principles:
  - 6. Risk management is based on the Best available information
  - 7. Risk management takes into account Human and cultural factors
  - 8. Risk management is Continually improved through learning and experience.
- Step C : Developing roadmaps based on the G31000 risk management maturity model
- Step D : Calculating the overall risk maturity level

Day 2 (afternoon): Overall review, examination and results

- Exam on the use of the G31000 Risk Maturity Model (duration: 2 hours)
- Information regarding the validation procedure to become "Certified ISO 31000 Lead Auditor"

ABOUT G31000

The Global Institute for Risk Management Standards labeled G31000 is a non-profit organization dedicated to raise awareness on the ISO 31000 Risk Management Standard and associated ISO documents.
Above all, G31000 provides clients with business information and knowledge on the ISO 31000 Risk Management Standard which enables them to reinforce business performance and their decision-making process, thus giving a valuable competitive advantage and making a positive contribution to their success.

GENERAL TERMS AND CONDICTIONS FOR PARTICIPANTS TO G31000 COURSE

1.- Registration fees. All participants must pay the registration fee prior to arrival at the course venue.
2.- Cancellation Policy. Session or individual registration cancellations must be notified via email to G31000 at Email: cancellations@G31000.org. Individual substitutions are welcome any time. G31000 reserves the right to cancel any Course(s) for any reason and G31000 shall inform Customer of such cancellation and offer Customer suitable alternative dates or a full refund of the price paid for the Course(s). Session or individual cancellations received 14 working days prior the first day of the course will receive a refund of registration fees less an administration charge of 10% of the Session or individual registration fee. Session or individual cancellations received between 7 and 14 working days prior the first day of the course will receive a refund of 50% of the Session or individual registration fee. Session or individual cancellations made after are liable for the full session fee but will receive the course pack and online access to all the of course materials. The organizer of a session or individual participants must make sure they receive an acknowledgement of their cancellation from G31000. Only this will confirm that their request has been received and processed.
3.- Liability. The G31000 Courses reserve the right to amend any part of the Course programme if necessary at any time. G31000 will not accept liability for damages of any nature sustained by participants or accompanying persons, or loss of, or damage to their personal property as a result of the Course or related events. In the event of industrial disruption or other unforeseen circumstances, G31000 accepts no responsibility for loss of monies incurred by participants. Participants should make their own arrangements with respect to personal insurance, along with travel insurance.
4.- Personal Insurance. G31000 cannot be responsible for healthcare, dental and ambulance services during its courses. G31000 strongly recommends that participants take out comprehensive medical and travel insurance, which should cover the possibility of flight cancellation due to strikes and other causes. Therefore, G31000 and its local coorganisers accept no responsibility of any nature whatsoever for personal injury, death, loss or damage to property or participants however caused or arising.
5.- Privacy Legislation. In registering for G31000 Courses, relevant details will be incorporated into a participant list for the benefit of all participants. Normally this information would be: name, surname, institution, country and email address. These details may also be available to parties directly related to the Course including the venues and accommodation providers. G31000 may use these details to inform current participants of Course updates or future courses via email. Participants are responsible for advising G31000 if they do not wish to have their email addresses included in the course participant list or G31000 's distribution list for future events.
6.- Rights and Privacy. 6.1 G31000 is obliged to treat all the materials and information about the Client and all information received from Client strictly confidential. 6.2 The provision of confidentiality does not apply to materials and information, (1) which is publicly known, (2) the recipient is already familiar with, (3) which is passed from third-party without limitation, (4) which is independently developed or (5) is given under a legal requirement or order. 6.3 The Client receives the right to retain the training materials prepared for the course. 6.4. For administration purpose, the Client gives G31000 the right to keep records of the Client in the G31000 database. 6.5 Unless specified in a separate agreement, G31000 might use Client's name in press releases, public announcements, marketing or business presentations.
7.- Intellectual Property Rights. The copyright in and all other intellectual property rights relating to the Course documentation provided to Customer are solely owned by and hereby reserved to G31000. Under no circumstances may the whole or any part of the Course documentation be produced or copied in any form or by any means or translated into another language without the prior written permission of G31000.
6.- Governing laws. This agreement shall be governed and construed in accordance with the law of the UAE and the parties submit to the exclusive jurisdiction of the UAE law.
