SUMMARY

This course enables certified ISO 31000 risk professionals to learn the skills and techniques required to conduct in-depth maturity assessments, reviews and audits against the principles of ISO 31000. The course is structured about the exclusive G31000 risk management maturity model, the only ISO 31000 principles-based risk maturity model. G31000 RMM helps organizations assess alignment to ISO 31000 principles and current maturity level and to develop a roadmap for continuous improvement .

The course covers the purpose of risk management and detailed analysis of each of the eight (8) principles proposed in the ISO 31000: 2018 risk management standard, including a set of criteria to assess current maturity of the risk management framework & process and identify opportunities for improvement.

At the end of the course, you will be able to implement, assess and audit the alignment of a risk management program in an organisation with the requirements of the ISO 31000 standard.

LEARNING OBJECTIVES

- 🔄 Understand practical assessment based on the ISO 31000 principles, framework and processes.
- 🔄 Learn what/how to evaluate organizations on their risk management program and structure
- 🔄 Apply assessment criteria, checklists, gap analysis and sample tools to test maturity against the ISO 31000 principles as an in-house risk auditor or an external consultant
- 🔄 Develop practical roadmaps to develop and improve risk management maturity

COURSE AGENDA

Day 1: Understanding ISO 31000 principles and model structure

- 🔄 About G31000 risk management maturity model (RMM)

ABOUT G31000

The G31000 Risk Institute labeled G31000 is a non-profit organization dedicated to raise awareness on the ISO 31000 Risk Management Standard and associated ISO documents. Above all, G31000 provides clients with business information and knowledge on the ISO 31000 Risk Management Standard which enables them to reinforce business performance and their decision-making process, thus giving a valuable competitive advantage and making a positive contribution to their success.

GENERAL TERMS AND CONDITIONS FOR PARTICIPANTS TO G31000

1.- Registration fees. All participants must pay the registration fee prior to arrival at the course venue.

2.- Cancellation Policy. Registration cancellations must be notified via email to G31000 at Email: cancellations@G31000.org. Substitutions are welcome any time. Cancellations received 60 working days prior the first day of the course will receive a refund of registration fees less an administration charge of 10% of the Course fee. Cancellations received between 60 and 30 working days prior the first day of the course will receive a refund of 50% of the course fee. Cancellations made after, as well as 'no shows', are liable for the full course fee but will receive the course pack and online access to all the course materials. Participants must make sure they receive an acknowledgement of their cancellation from G31000. Only this will confirm that their request has been received and processed.

3.- Liability. The G31000 Courses reserve the right to amend any part of the Course programme if necessary at any time. G31000 will not accept liability for damages of any nature sustained by participants or accompanying persons, or loss of, or damage to their personal property as a result of the Course or related events. In the event of industrial disruption or other unforeseen circumstances, G31000 accepts no responsibility for loss of monies incurred by participants. Participants should make their own arrangements with respect to personal insurance, along with travel insurance.

4.- Personal Insurance. G31000 cannot be responsible for healthcare, dental and ambulance services during its courses. G31000 strongly recommends that participants take out comprehensive medical and travel insurance, which should cover the possibility of flight cancellation due to strikes and other causes. Therefore, G31000 and its local coorganisers accept no responsibility of any nature whatsoever for personal injury, death, loss or damage to property or participants however caused or arising.

5.- Privacy Legislation. In registering for G31000 Courses, relevant details will be incorporated into a participant list for the benefit of all participants. Normally this information would be: name, surname, institution, country and email address. These details may also be available to parties directly related to the Course including the venues and accommodation providers. G31000 may use these details to inform current participants of Course updates or future courses via email. Participants are responsible for advising G31000 if they do not wish to have their email addresses included in the course participant list or G31000 's distribution list for future events.

6.- Governing laws. This agreement shall be governed and construed in accordance with the law of Switzerland and the parties submit to the exclusive jurisdiction of the Swiss law.
