SUMMARY

This course enables participants to become certified risk management professionals (Foundations level). The training and exam are based on the ISO 31000:2018 risk management standard which can be used by organizations of any size, any industry, and any sector.

In this intensive two and half day course, participants develop competence in the foundations of the ISO 31000 :2018 risk management standard . Based on in-depth teaching , practical exercises and quiz questions that test their aptitude , participants acquire the necessary knowledge and skills to pass the stringent exam. They do so by becoming familiar with the vocabulary, principles, framework and the risk management process proposed in the ISO 31000:2018 standard.

During the course, we will present the ISO 31000 Risk Management Principles and Guidelines and its two companions, the ISO Guide 73:2009, and the IEC/ISO 31010:2009 Risk Assessment Techniques.

LEARNING OBJECTIVES

- To understand the vocabulary, principles, framework and risk management process in accordance with the new version ISO 31000 published in February 2018.
- To understand the benefits of ISO 31000 as an internationally-recognized standard adopted by more than 76 countries.
- To acquire the competence to communicate effectively about ISO 31000 with people having different backgrounds and experience in risk management.

COURSE AGENDA

Day 1: Introduction to risk management concepts as defined by ISO 31000:2018

- Understand the risk management concepts as defined by ISO 31000:2018.
- Understand the benefits of risk management to an organization.
- Understand the ISO 31000:2018 risk management principles and how they influence the risk management framework and process.
- A quiz and review on the elements learned during the day

Day 2: The risk management framework and process according to ISO 31000:2018

- Understand the risk management framework at a high level
- Detailed presentation of the risk management process
- Risk identification, risk analysis, risk evaluation and risk treatment
- Risk assessment tools recommended in IEC/ISO 31010
- Risk communication,
- Risk monitoring and review
- A quiz and review on the elements learned during the day

Day 3 (morning): Overall review

- Testing your knowledge with sample exam questions
- Information regarding the validation procedure of G31000 pertaining to the ISO 31000 certification - foundations level
- Exam on the foundations of ISO 31000:2018 (duration: 2 hours)

PREREQUISITES

Attendees should read the ISO 31000:2018 risk management standard before the course, especially the vocabulary, the principles, the framework and the process proposed in the ISO 31000 standard. It could be purchased on the ISO website. Here is the link : https://www.iso.org/standard/65694.html

EDUCATIONAL APPROACH

- The training session is based on theory and practical examples
    - Lectures include examples from real scenarios
    - Review exercises to assist with exam preparation
- The number of training participants is limited so they may benefit from the exercises

EXAM AND CERTIFICATION

- The exam to become “Certified ISO 31000 Risk management professional” meets the requirements of ISO/IEC 17024 standard designed to harmonize the certification process of personnel worldwide.
- The exam covers the five following competence domains:
    - Fundamental concepts
    - Terms and definitions
    - Principles of risk management
    - The risk management framework
    - The risk management process
- Duration: 2 hours for 80 multiple-choice questions

A certificate of “Certified ISO 31000 Risk management professional” will be issued to participants who successfully pass the exam and comply with all the other requirements related to this credential.

ABOUT G31000

The Global Institute for Risk Management Standards labeled G31000 is a non-profit organization dedicated to raise awareness on the ISO 31000 Risk Management Standard and associated ISO documents.
Above all, G31000 provides clients with business information and knowledge on the ISO 31000 Risk Management Standard which enables them to reinforce business performance and their decision-making process, thus giving a valuable competitive advantage and making a positive contribution to their success.

GENERAL TERMS AND CONDITIONS FOR PARTICIPANTS TO G31000 COURSE

1.- Registration fees. All participants must pay the registration fee prior to arrival at the course venue.
2.- Cancellation Policy. Session or individual registration cancellations must be notified via email to G31000 at Email: cancellations@G31000.org. Individual substitutions are welcome any time. G31000 reserves the right to cancel any Course(s) for any reason and G31000 shall inform Customer of such cancellation and offer Customer suitable alternative dates or a full refund of the price paid for the Course(s). Session or individual cancellations received 14 working days prior the first day of the course will receive a refund of registration fees less an administration charge of 10% of the Session or individual registration fee. Session or individual cancellations received between 7 and 14 working days prior the first day of the course will receive a refund of 50% of the Session or individual registration fee. Session or individual cancellations made after are liable for the full session fee but will receive the course pack and online access to all the of course materials. The organizer of a session or individual participants must make sure they receive an acknowledgement of their cancellation from G31000. Only this will confirm that their request has been received and processed.
3.- Liability. The G31000 Courses reserve the right to amend any part of the Course programme if necessary at any time. G31000 will not accept liability for damages of any nature sustained by participants or accompanying persons, or loss of, or damage to their personal property as a result of the Course or related events. In the event of industrial disruption or other unforeseen circumstances, G31000 accepts no responsibility for loss of monies incurred by participants. Participants should make their own arrangements with respect to personal insurance, along with travel insurance.
4.- Personal Insurance. G31000 cannot be responsible for healthcare, dental and ambulance services during its courses. G31000 strongly recommends that participants take out comprehensive medical and travel insurance, which should cover the possibility of flight cancellation due to strikes and other causes. Therefore, G31000 and its local coorganisers accept no responsibility of any nature whatsoever for personal injury, death, loss or damage to property or participants however caused or arising.
5.- Privacy Legislation. In registering for G31000 Courses, relevant details will be incorporated into a participant list for the benefit of all participants. Normally this information would be: name, surname, institution, country and email address. These details may also be available to parties directly related to the Course including the venues and accommodation providers. G31000 may use these details to inform current participants of Course updates or future courses via email. Participants are responsible for advising G31000 if they do not wish to have their email addresses included in the course participant list or G31000 's distribution list for future events.
6.- Rights and Privacy. 6.1 G31000 is obliged to treat all the materials and information about the Client and all information received from Client strictly confidential. 6.2 The provision of confidentiality does not apply to materials and information, (1) which is publicly known, (2) the recipient is already familiar with, (3) which is passed from third-party without limitation, (4) which is independently developed or (5) is given under a legal requirement or order. 6.3 The Client receives the right to retain the training materials prepared for the course. 6.4. For administration purpose, the Client gives G31000 the right to keep records of the Client in the G31000 database. 6.5 Unless specified in a separate agreement, G31000 might use Client's name in press releases, public announcements, marketing or business presentations.
7.- Intellectual Property Rights. The copyright in and all other intellectual property rights relating to the Course documentation provided to Customer are solely owned by and hereby reserved to G31000. Under no circumstances may the whole or any part of the Course documentation be produced or copied in any form or by any means or translated into another language without the prior written permission of G31000.
8.- Governing laws. This agreement shall be governed and construed in accordance with the law of Belgium and the parties submit to the exclusive jurisdiction of the Belgian law.
